

A large, dark blue ink splatter or blotch is centered on a white background. The splatter has irregular, feathered edges and contains several smaller, lighter blue spots and streaks. The text is centered within the dark blue area.

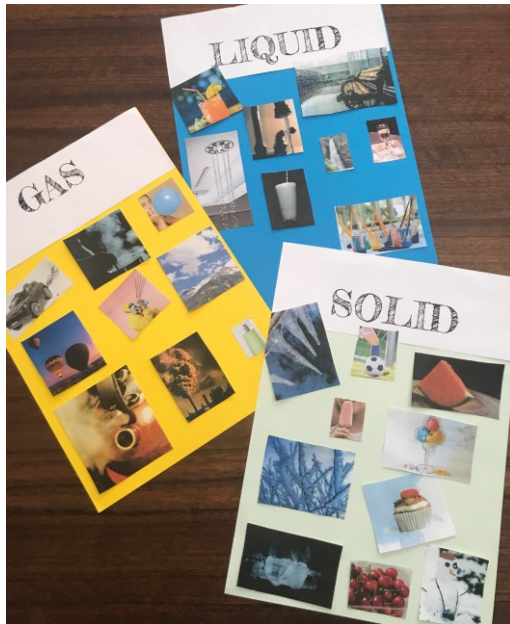

States of matter

Activity

States of matter

What you'll need:

- 3 pieces of coloured paper
- magazines
- scissors
- glue

Step 1

Discuss the states of matter with pupils.

Use the states of water to show its liquid, solid and gaseous state.

Step 2

Write the three states on the board and ask the pupils to brainstorm examples.

Steps 3

Ask pupils to copy the three words and look for magazines and brochures that provide pictures for posters about the three states

Step 4

In the next lesson, create posters
